

idea gallery: laundry rooms

The utilitarian nature of the laundry room is no reason for it to be less than lovely. These inspired spaces work hard without sacrificing style.

1

1. A 74×30-inch **vintage work cart** topped with limestone serves as an island where storage abounds. Bin pulls lend throwback style as well as ergonomic function. Stools tucked under the countertop's overhang allow for sitting while folding. The wheeled cart is easy to move where needed on the glazed terra-cotta floor tiles.
